# Welcome

As the sun sets over the beautiful streets of Bury St Edmunds and music fills the air, we're so grateful you've joined us for the St Nicholas Hospice Care Sunset Walk.

## Every step you take makes a difference

Thanks to your fundraising, we can help people live with comfort, dignity and support for as long as possible.

From expert care and symptom management to emotional support and creating lasting memories, you're making a real difference to patients and families across our community.

# Our Sponsors

Greene King proudly supports our Sunset Walk, and has been crafting quality beers from its historic brewery in Bury St Edmunds for over 200 years. Suffolk has been the home of Greene King since 1799 and its leading cask ales are brewed here, including Greene King IPA and Abbot Ale, as well as a broad range of seasonal and speciality beers.

In 2022, Greene King launched its craft beers which included Level Head and Flint Eye. The brewer launched a further two craft IPAs last year, Hazy Day and Prior Life, which embody Suffolk's eccentric past, but are designed for the modern-day drinker.

# Thank you

Well done for taking part in the Sunset Walk this evening. By coming together and raising funds for St Nicholas Hospice Care, you are helping us provide specialist care and offer emotional and bereavement support to patients and their families when they need it most. While we receive some support from the NHS, much of our work relies on the generosity of people like you. Events like the Sunset Walk play a vital role in helping us continue to deliver compassionate care now and into the future.
