

COVID-19

Service update

Although we are not able to meet face to face, our helpline remains open on 01473 265210.

We are also happy to receive your emails and SMS texts. If you leave a message with us we will get back to you as quickly as we can.

Where we would usually provide meeting support, where possible we will support through telephone or video conferencing.

We have at this time cancelled our training events for parents, carers and practitioners for the summer term.

But we might run some online sessions if there is a demand for them after Easter.

We will continue to add any new information we receive to our Facebook and Twitter feeds. We will try to include links to items which we hope will be helpful if you are supporting your children at home.

We also have a page on our website which may answer some of the questions you might have:

<https://www.suffolksendiass.co.uk/covid-19>

We know it is a difficult time for everyone and we would encourage everyone to keep in touch and stay as connected as possible.

Best wishes

Debbie, Nicki, Helen, Nikki, Gillian, Kate, Sian, Gail and Rachel

The team at Suffolk Sendiass 😊
