# *Welcome*

Welcome to the St Nicholas Hospice Care Book of Remembrance.

We hope that you will find this book a special place to share memories and remember loved ones.

The Hospice supports those facing dying, caring and grief in communities across West Suffolk and Thetford. This book lets you remember those you miss alongside others in your communities.

At the end of the year, the names of loved ones will also be included within our Light up a Life season of remembrance services. These help us to celebrate the love, joy and happiness that those we miss brought into our lives.

We would like to thank our corporate supporters for making this book possible.

If you are facing dying, caring or grief, our website is up-to-date with information on our clinical services and support.

Our thoughts are with you.
